MWM COMO Pleasure Grounds

Navara Rd. COMO

Lorraine Hoff 0417 025 -074

Come along and enjoy our first outing for the year. Como Pleasure Grounds is a very pretty picnic ground on the banks of the Georges River with the most amazing views over the river. You can just relax and watch the passing river traffic or you can take a leisurely stroll across the historic rail bridge (still in use but there is a walking/cycle lane for those who wish to do the walk). The picnic will be self-catered and barbeques are available for use. Also for those who wish, food can be purchased at the nearby Como Marina – they also serve delicious coffee, milk shakes, etc.

No need to book – just turn up and have a great day.
